SALMON CHUM PORT SKNLS BNLS 6 OZ

SEA BEST | 10 POUND

Sea Best Chum Salmon portions are processed from keta salmon that is wild caught in the icy waters of the North Pacific Ocean. These skinless, boneless portions have a mild flavor and firm and meaty melt-in-your-mouth texture. Large flakes of meat hold their juicy, tender texture through any preparation. In addition to its delicious, versatile flavor, salmon is also a very healthy protein choice. Each Salmon portion is individually vacuum packed and bulk packed for optimal freshness and convenience.
