SALMON ATL FILLET SKNLS BNLS

SEA BEST | 1 POUND

Sea Best Atlantic Salmon Portions are responsibly farm-raised in the cold waters of Chile ensuring consistent quality and flavor. These skinless, boneless fillets are expertly trimmed and free from artificial additives or preservatives. The natural vibrant orange color, rich flavor, and firm yet tender texture make salmon one of the most popular seafood choices. With a naturally high oil content, these portions stay juicy and moist during cooking, producing large, tender flakes. Each fillet is individually vacuum packed and packaged in a retail-ready bag for optimal freshness and convenience.
